Such service(s) will continue until the student requests, in writing, that it (they) be discontinued.

Long distance and international calls can be placed using calling cards available in the RGBI Bookstore or at Wal-Mart. Direct-dial long distance and/or international telephone service requires a **\$125 deposit**. This service will be disconnected if the bill for such calls is not paid in full within 60 days of statement or if the amount outstanding after 30 days exceeds \$125. "Free" Internet access is available in the RGBI Computer Lab as well as in the Library.

Financial Information

Charges for tuition, fees and books are due at the beginning of each semester. Housing, electric, telephone and Internet are billed at the beginning of each month. If the mission agency pays for any of the costs, the missionary must make his/her own arrangements for any reimbursements. The total cost may be evenly divided into monthly payments, if approved by the finance office, but any and all payments will be credited against the oldest unpaid charges. Any questions regarding finances should be directed to the finance office of Rio Grande Bible Institute and not the Language school offices. The number is (956) 380-8171.

There will be a 1% charge on the unpaid balance each month. The student's account with the school must be kept current in order for him/her to enroll for the following semester.

All language students must come with sufficient financial resources. Because the course is very concentrated, there is no time for outside employment or deputation. Any employment while in Missionary Language School must first be approved by the Dean of the Language School.

No Veteran's Administration benefits can be applied to costs at Rio Grande Bible Institute and Missionary Language School. No financial aid is available.
